Dear Jim:

Enclosed are replacement pages under paragraph 4.1.5 of the narrative to Volume 1 of Ranchers' Notice of Intention to Commence Mining Operations for the Escalante Silver Mine in Enterprise, Utah.

The commitment has been broadened somewhat to cover the evaporative loss question, and it also contains some minor changes in wording.

Four copies of the replacement pages are enclosed for your insertion in the four copies of the Notice delivered to you.

I will shortly communicate to you and the Board in writing concerning our federal permit timing considerations and the absolute necessity that we receive a quick consideration of our Notice.

Very truly yours,

RANCHERS EXPLORATION AND
DEVELOPMENT CORPORATION
